

SOMETHING FOR EVERYONE! OUR U.S. CONSTITUTION

Library Sponsored, @ Main Branch

5-week "Lunch & Learn" series on the U.S. Constitution. Features interactive teaching; facilitated, nonpartisan discussion; dramatic readings; and Toastmasters' demonstrations

**March 29 – April 26*: 12-1PM
(*4/26 ends at 2PM)**

**Every consecutive Wednesday
Bring Your Own Lunch**

Series taught by Mr. Chuck Kirby, a self-described "friend of the Constitution" who specializes in the U.S. Constitution and guiding nonpartisan learning. Mr. Kirby has taught public affairs courses in higher education for 8 years.

Because each session builds on each other, we strongly encourage attending the entire series. Also, to ensure familiarity with the Constitution's text and guiding principles, we ask attendees to read a free learning packet before Session #1. Packet includes a copy of U.S. Constitution and several Federalist Papers.

Pre-registration required. Starting **MARCH 8**, registrations accepted at Front Desk, Main Branch. Up to 25 registrants. Learning packet provided at registration.
